2021 Check Date Processing for Federal/Banking Holidays

Banks will be closed on the following holidays, and it could affect your payroll processing and when your employees receive direct deposit pay.

Banks will automatically change holiday check dates to the next valid banking day. If your scheduled payroll check dates are on a bank holiday, consider adjusting your check and/or processing date so employees receive funds when they expect them. If you or your employees have questions about when funds will post, please contact your bank.
