

2022 Federal/Banking Holidays

Banks will be closed on the following holidays, and it could affect your payroll processing and when your employees receive direct deposit pay.

Banks will automatically change holiday check dates to the next valid banking day. If your payroll check date is scheduled for a banking holiday (or the day after), consider adjusting your check and/or processing date so employees receive funds on time and avoid additional processing fees. If you or your employees have questions about when funds will post, please contact your bank.

Paychex Flex® clients - When local Paychex offices are closed, our 24/7 service center, as well as online chat, is open for emergencies.
