Bonus payrolls

• Bonus checks can be processed with your regular payroll. If a different check date or period-end date is needed, the bonus checks must be processed as a separate payroll.

If you want to process a separate bonus payroll, here’s a short demo and instructions about adding a new pay period.

• You can temporarily override direct deposit on bonus checks so your employees can receive paper bonus checks. Please call your Paychex Service Representative if you need assistance.

You can block direct deposit for all checks in a pay period.

• If you are using a 401(k) plan offered through Paychex Retirement Services, we will automatically deduct any 401(k) contributions from the bonus checks of the employees participating in the plan. According to the plan, bonus pay is defined as compensation; therefore, it must have 401(k) contributions deducted, and must be reflected on Forms W-2.

Quarter-end deadline date

• The quarter-end deadline for you to report changes for third quarter 2023 is Friday, September 29, 2023, by 4:00 p.m. local time.

• If payroll adjustments are necessary after the quarter-end deadline date, Paychex can reprocess tax returns; however, there is an additional charge and a processing delay. If you anticipate the need for payroll adjustments, contact Paychex immediately so returns can be processed at no additional charge.
